INTRO - CREATIVE CATERING

CREATIVE CATERING - FRESH IDEAS

Relish are a Local Events Catering Company based in Cirencester, Gloucestershire, working with many prestigious clients and Showgrounds.

Our company aim is to work with each and every supplier to ensure we are delivering above and beyond expectations from our food offering to our customer service skills which is all often in the planning. We aim to work with our clients to ensure we are providing the relevant food offering at a fair price.

Relish currently have over 100 employees and turnover in excess of £5M per annum. We work all over the UK and into Europe with a list of past jobs that include Celebrity weddings, National cultural events, sporting events, high profile private clients and corporate catering contracts.

Our innovative team of chefs pride themselves on being real foodies with a huge interest in fresh, locally sourced food and bespoke menu design.

Due to these core attributes Relish has now developed, since its formation over 15 years ago, a full calendar throughout the seasons of private parties, weddings, corporate functions and large outdoor events.

The mission of Relish is to develop long-standing partnerships with clients, venues and the community and work towards one exclusive goal - to always exceed the expectations of our customers.

WHO ARE RELISH?

Relish Catering have been established for over 20 years and operate multiple fixed venues around the South West alongside events under tented structures. Relish employ over 100 staff providing a 360 degree solution to 'green field' event catering, offering comprehensive food and beverage management in all areas.

Relish are one of the UK's leading event catering companies with presence at many of the country's largest cultural events. A sampling of some of our current contracted events are:
